FOR IMMEDIATE RELEASE

The Driffield Male Voice Choir is pleased to announce a joint concert with the Steeton Male Voice Choir to mark the momentous occasion of their 55th anniversary - celebrating 55 years of joyful song with a special 'East meets West' performance at Beverley Minster on Saturday 18 July 2026 at 6:30pm.

The Driffield Male Voice Choir was established in 1971 and performs all over the East Riding of Yorkshire, raising money to benefit various charities and churches in the region through ticketed events and concerts and to date, they have raised over three hundred thousand pounds.

As a registered charity (number 1011443), the choir is proactive in the local community, regularly canvassing and exhibiting in the town square to promote its events and to recruit new members.

The therapeutic power of music is well documented, as are the numerous and far reaching benefits of singing in a choir*, from reducing stress and anxiety to improving cognitive and lung function, as well as combatting loneliness and isolation. So if you'd like to join them, you can find them at the Driffield Methodist Church every Thursday from 7:15pm to 9:15pm. There's no awkward audition process, just a welcoming band of brothers who love to sing.
